Commercial agencies

# Mergers & Acquisitions:

---

Our corporate team provides invaluable counsel across a diverse spectrum of corporate transactions, encompassing takeovers, private M&A, intricate joint ventures, consultancy and service agreements. Additionally, we extend our legal expertise to serve clients operating within the Motor, Hospitality, Education, Food and Beverage, Media, Retail, and Consumer Goods and Services sectors.

Equipped with exceptional transactional skills and specialist knowledge, our team adeptly navigates the multifaceted challenges that can emerge in any given transaction.

# Company Formation & Registration

---

Being one of our core strength, Tasheel Law Firm's team is dedicated to assisting businesses across the Middle East with their company administration needs. Our expertise extends to various types of company establishments, including Free Zone companies, mainland entities, and offshore companies. When it comes to company formation, we handle all legal matters with precision and efficiency.

Our team ensures that our clients meet the necessary regulatory requirements and adhere to the relevant laws and regulations.

# Commercial Contracts

---

Our Corporate Services can handle both contentious and non-contentious matters. This unique blend of experience allows us to leverage our past successes and market knowledge when drafting contracts on your behalf. Furthermore, our team is proficient in preparing a comprehensive array of agreements tailored to meet the specific needs of businesses operating across diverse sectors.

We understand the intricacies involved and strive to provide you with agreements that align with industry best practices while addressing your specific requirements.

# Private Equity

Engaging in the operation and management of private equity funds entails inherent risks, complexities, and potential escalation of operational expenses. At Tehseel Law Firm, we specialize in delivering expert guidance across the entire private equity landscape.

Our services encompass strategically structured acquisitions and growth capital investments. With our extensive experience, we excel in providing invaluable support for private equity transactions and facilitating private placements, catering to the needs of both investors and issuers in the Kingdom of Saudi Arabia.

# Corporate Restructuring

We offer comprehensive assistance in various areas crucial to your business. This includes proficiently handling company formation, skillfully drafting and reviewing shareholder agreements, and providing invaluable guidance throughout the process. To ensure compliance and mitigate risks, we conduct diligent due diligence on behalf of our clients, especially in the context of acquisition sales.

Rest assured, your case will be entrusted to an experienced corporate lawyer who will be fully dedicated to addressing your unique needs. They will guide you through the intricacies of modifying your capital structure while ensuring adherence to local laws and regulations. Should you have any inquiries or specific requirements, please don't hesitate to share them with us. Your success and legal compliance are our utmost priorities.

# Joint Ventures

---

As an expert legal advisers, we provide sound guidance to both international and local clients embarking on joint ventures within the region. Our expertise encompasses every stage of the process, from establishing the framework for the joint venture to skillfully drafting and structuring agreements.

Our primary objective is to ensure that the interests and objectives of all parties involved are met. With our advisory, you can navigate the entire process smoothly while fulfilling all necessary legal formalities.

# Business Immigration

Immigration laws and procedures are constantly changing in the region, and businesses rely on experienced lawyers to help advise on the complex system.

As one of the leading law firms in Saudi Arabia, Tasheel Law Firm helps companies dealing with immigration to complete the proceedings while adhering to the law. We can assist you in both migrating your business to and from KSA.
